Music Video Plan

- What song will you use for your video?
 - I will use a song I created
- How will you film the video? Smartphone? DSLR?
 - Smartphone
- Where will you film the video?
 - Around and inside my house
- Will you need lighting?
 - Just natural and party lighting
- Who or what will be in this video?
 - My cousins
- How is this related to the song?
 - This will add more to the song and what's it's about
- How will the video progress from scene to scene?
 - Scene 1: I come outside trying to stay warm as I cross the street and as I look both ways I see two creatures, the more I wake the closer they get. Then we all end up dancing with each other
 - Scene 1A: As were dancing, it's a killing going on behind us
 - Scene 2: We run away in different directions
 - Scene 3: Transitions, were in the house out of breath and dialogue is being exchanged
 - Scene 4: Playing video games; someone loses we tease that person
 - Scene 4A: We celebrate by throwing food in the air; As were doing this the beat changes
 - Scene 5: Dances in a circle and credits
- How will it relate to the song?
 - It will add more to the song but, not be a backdrop
- What music video are you basing this off of?
 - David Guetta- Hey Mama mix with my ideas
